INDIANA UTILITY REGULATORY COMMISSION

CAUSE NO. 41657

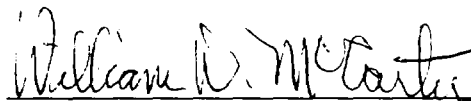

You are hereby notified that on this date, the Indiana Utility Regulatory Commission has caused the following entry to be made:

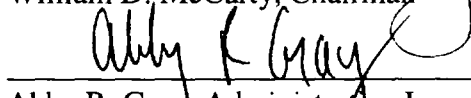

On January 17, 2003, Indiana Bell Telephone Company, Incorporated d/b/a SBC Indiana ("SBC") filed a Request for OSS Test Report and to Establish a Process and Schedule. On February 4, 2003, Ameritech filed its Supplement to Pending Request for Commission Order Establishing Process and Schedule for Completion of Commission Review. On February 5, 2003, Indiana CLECs filed a Response to SBC Indiana's Scheduling Request and Supplement Thereto. Said filings are incorporated herein by reference.

The presiding officers, being duly advised in the premises, now find that Ameritech's request for OSS test report should be granted in part. Due to the time required for BearingPoint to prepare its report, we have considered this portion of the request on an expedited basis. BearingPoint should submit an interim Indiana OSS report for the operational test (PPR and TVV) and for the metrics test (PMR) with the Commission and the parties to the proceeding by February 28, 2003. Further, we put BearingPoint and the parties on notice that we will schedule presentation(s) on the report(s). We will issue further instructions on the date, format and procedures of the presentations at a later time.

Finally, we take all pending motions and requests under advisement and will address them in subsequent entries.

IT IS SO ORDERED.

William D. McCarty, Chairman

Abby R. Gray, Administrative Law Judge
